Hello Again, Mr. Edmundson:

Appendix C to the Administrative Order on Consent for the Anaconda Aluminum Co. Columbia Falls Reduction Plant site (CFAC) is actually also available on the site web page, but is entitled "Form of Sight Draft", which is not very obvious. The link is:

<https://semspub.epa.gov/work/08/1719921.pdf>

Please let me know if you have any questions or if you require additional information.

Thank you,

Joe

Mr. Edmundson:

The documents you requested below are available on line, at:

Web site: <https://cumulis.epa.gov/supercpad/cursites/csinfo.cfm?id=0800392>
Support Document: <https://semspub.epa.gov/work/08/1570789.pdf>
Administrative Order on Consent: <https://semspub.epa.gov/work/08/1719917.pdf>

I am following up on Attachment C to the Administrative Order on Consent. It is not included in the published version, so I'll have to see if I can track it down.

Thank you,

Joe

Hello!

I was informed that Mr. Moler is out of the office through September 5th. Perhaps you might be able to answer this question? See below.

Thank you!

Robert,

I have a customer inquiring about an appendix. I cannot find a copy in the documents here at the Columbia Falls Library. Perhaps you could email a copy to me. Here's what I know about it.

It is mentioned in the binder with Contents:

- Support Document for the Revised National Priorities List Final Rule (617 pp)
- Administrative Settlement Agreement and Order on the Consent for Remedial Investigation/Feasibility Study (36 pp)

On page 31 of the latter it lists at the bottom:

"Appendix C" is a description of the form of financial assurance.

Do you have this Appendix C, and may I obtain a copy for the customer?

Thanks!
